

We had a beautiful day with perfect winds for the 2024 Ontario Regional DragonFlite 95 Regatta. Twelve skippers competed for the Championship and they sailed eighteen races with a drop after every six. Scores were kept on a tablet using AFleet software and backed up by a volunteer using paper. The top three or four crossed the finish line in very close order even after sailing two laps. The starts were good with no general recalls.

Skippers from L to R: Al McMillan, Ron Prokop, Victor Wong, Burack Sahbaz, Kaan Bilgen

To really no one's surprise our resident sailing wizard, Oguz “Oz” Ozer, won the Championship with a perfect 18 for 18 races score. Ron Prokop was second and Burack Sahbaz third.

Wilson Chong of HOT Sails generously donated a new set of custom sails which were raffled off and Oz had the winning ticket!

Many thanks to our DF95 Captain, Luis Soto, who spent all day in the boat, adapting the course slightly when the wind shifted. And thanks to two high school students, Ada Bilgen and Tolga Ozer who helped the RD with scoring and general setup.

Pizza was served for lunch in the cafe area of the marina. It was a great way to socialize away from the concentration of competing. The staff from Lakefront Promenade were very helpful in setting up the chairs and tables that had already been stacked away for the winter. And we must thank the City of Mississauga for creating a brand new and quite excellent launch dock this spring. They also built a new shed to store all our equipment.

So all in all a very enjoyable day of sailing and thanks to the CRYA for sponsoring it.
